

Certificate of Registration

This is to certify that the Quality Management System of

James Fisher Runic Limited

Long Lane, Dalton-in-Furness, Cumbria LA13 0PF

applicable to

Design and project management services for hazardous areas. Design, build and operation of manned and unmanned vehicles. Provision of specialised personnel and databases. Specialised engineering, surveys and consultancy. Provision of marine safety cases and audits. Operational and refit support. Spare gear procurement

has been assessed and registered by
National Quality Assurance Limited against the provisions of

BS EN ISO 9001 : 2000

This registration is subject to the company maintaining a quality management system, to the above standard, which will be monitored by NQA.

A handwritten signature in black ink, appearing to read 'P. Rowland', is written over a faint, large 'nqa' watermark in the background.
